

GARDEN BEAN NAMED '210104'

ABSTRACT OF THE DISCLOSURE

[0178] A novel garden bean cultivar, designated '210104', is disclosed. The invention relates to the seeds of garden bean cultivar '210104', to the plants of garden bean line '210104' and to methods for producing a bean plant by crossing the cultivar '210104' with itself or another bean line. The invention further relates to methods for producing a bean plant containing in its genetic material one or more transgenes and to the transgenic plants produced by that method and to methods for producing other garden bean lines derived from the cultivar '210104'.
